

Tabela t Student

Esta tabela representa os valores críticos da distribuição t-Student, para uma determinada área sob a curva. Os valores unicaudais são para áreas em uma ponta da curva, os valores bicaudais para áreas divididas em duas pontas e os valores de confiança (c) para a área central da curva.

Unicaudal	0,25	0,10	0,05	0,025	0,01	0,005
Bicaudal	0,50	0,20	0,10	0,05	0,02	0,01
Confiança (c)	0,50	0,80	0,90	0,95	0,98	0,99
